# President's Report

Season 2008 has proved to be another successful year for the club both on and off the field. Although we did not win any premierships, our 1<sup>st</sup> Grade and 3<sup>rd</sup> Grade teams reached the final while our 2<sup>nd</sup> Grade team reached the major semi finals.

Many thanks to our coaches, Richard Thompson, Brendon Schoupp, Adam Potter, Peter Murphy, Brian Hutton, and Mark Joy and their support staff for their great effort during 2008.

Congratulations to Cameron Thompson for being the leading try scorer in the Illawarra competition, an outstanding effort when you consider that this lad was playing under 18's in 2007. Brendon Schoupp for the coach of the year as in 2007 and Roihani Whaanga the under 20's player of the year.

The Juniors had a successful season, winning under 11's, under 14's and under 18's for the third year in a row now and congratulations to Kieran Smith and these committee members for an outstanding year.

I would like to thank the Senior Committee for their tireless efforts in 2008. When you have a committee like the current one it makes my position as President that much easier. The club is in a very stable financial position.

Once again we managed to raise \$ 4000.00 for the Cancer Council through our Golf Day and Big Morning Tea and I hope the club will continue to support this research and one day we may be able to control and cure this dreaded disease.

As you can see it has been a successful year in many ways with the Illawarra and Newcastle and NSW Country V Northern Territory games and further improvements to the ground. But we must continue to seek the help of our supporters and sponsors to allow the club to continue to grow.

My term as president of the club for the last four years finishes at the AGM in November and I will not be standing again. During this period I have considered it an honor to be president of such a great club and have been fortunate to have a strong and willing committee. The decisions have been made in the interest of the club and not the individual. Thanks for all the help and I wish the new committee all the best for the future.

On behalf of myself and the Shamrocks Rugby Club I thank everyone for their help in 2008 and wish you and your loved ones a happy and holly Christmas for 2008.

*Garth Doyle*  
*President*

# Junior's Report

Our Junior club had another successful season in 2008 fielding 8 teams from Under 8's to Under 18's.

We conducted modified competitions for U/8's and U/10's in which the emphasis is on participation where many of the basic skills are learned, the kids had a great year under the guidance of Andrew Cracknell (U/8) and Paul Ridgway (U/10) and displayed great skills and talents above their age.

We also contested premierships in Under 11's to Under 18's these teams were ably coached by Scott Lunney (U/11), Eon Chapman (U/12), Kieran Smith (14's White), David Wylie (14's Green), David Stalker (U/16) and Ron Davis (U18), all these former grade players, their managers and support staff did a great job with the players this season and are building the Shamrocks Club into the future.

If there was a club championship in the Illawarra District Junior Rugby Union, Shamrocks Junior Rugby Club would be Club Champions in 2008. Our Juniors were the benchmark this year with minor premierships U/18's, U/14's and U/11's, we also achieved 2nd place in the U/12's and U/16's competitions.

Shamrocks Juniors provided 4 of the 5 grand finalists in 2008, this is a great result for our club made even better given that this is the third season in a row that we have achieved this milestone. We brought home premierships in Under 11's, Under 14's and Under 18's.

Our top grade, Under 18's, has really shown the way in their competition winning this grade for the last three consecutive seasons, this is bearing fruit in our senior club with many juniors making the transition to and finding success in the senior grades.

On the representative front Shamrocks juniors represented in all Illawarra representative teams. Our Boys were well represented in Schools teams, NSW Country and NSW teams. Some notable rep players were:

**Ben Robinson** U/14 (NSW Country), **Ricky Rojas** U/16 (NSW, NSW Country), **Jacob Woolley** U/16 (NSW Country), **Sam Latu** U16 (NSW Combined All Schools), **Cameron Bond** U/16 (Australian Development Squad), **Jayden Dallalano** U18 (NSW Combined All Schools), **Luke Rosa** U18 (NSW Country), **Tyson Frizell** U17 (NSW, NSW Country, CHS First 15).

Shamrocks Junior's were represented at South Coast Schools in Secondary and Primary level by 14 players.

Our Under 18's team supplied 9 players to the Open South Coast School team and made the final of the State Championships for the first time, unfortunately going down to a strong Manly team.

We also had a large contingent of Under 13 's players make the trek across the ditch with the inaugural Under 13 Illawarra Tour to New Zealand which is to become an annual event. Shamrocks 13's (Under 14 White) supplied 10 players to this tour and came home undefeated. Our own Ron Davis was the coach of the touring squad. The Junior club was able to subsidise these players with the great fundraising efforts of Ron and in a small part myself, with the help of the Shared Giving Program conducted by BHP Billiton. Ron's dedication to our club and the kids is exemplary.

Shamrocks Juniors would not be the club it has developed into without the support of our Seniors and our Sponsors: **Bulli Workers Club, Mountain View Meats, Bulli Fruit and Deli, NRE Mining and Leaf It To Me.** Thank you to these great local businesses for providing a game of rugby for northern Illawarra kids, please support them.

Bringing down the curtain on season 2008 also sees my retirement from the Junior Club after 11 years of coaching and administration. In what was quite a challenging year, I would like to thank all the coaches and parents for their support especially the great committee of 2008. I would like to thank my good mate Sean Filan for introducing me to the Juniors all those years ago, plus all the great mates I've made along the way, I'd like to acknowledge and thank my friend/mentor/adopted Dad, Life Member Paddy Ryan for his support over many years and for strapping our top junior grade for the last four years.

On a personal note I would like to thank Clair, David, Liz and Lucy for their love and support during my time at the junior club. I will always be a friend of the Shamrocks Juniors and look forward to watching this great club continue to grow and go from strength to strength.

*Yours in Rugby*

# **Senior Vice President and Fund Raising Report**

Well another Shamrocks year has come and gone and we have much to be proud of with our club in what has been a great 2008 rugby year.

Our club administration has been strong with leadership from President Garth Doyle through the two vice presidents in Kieran Smith (juniors) and myself (seniors) and onto the membership. Our other executive portfolio's in Mark Pattison as Treasurer, Pauline Judd as Secretary and Shane Geloven as Club Captain have also performed extremely well in their areas in ensuring the club administration had the rigour to provide us the success we have seen both on and off the field. My thanks to all of these people for their support to me as Vice President and Acting President throughout 2008.

Some other areas worth a mention are our Coaching and Player sections of the club along with Sponsorship and fundraising management, and Club House, Ground Facility and Canteen management.

Coaching – my thanks to Kevin Crick as our Coaching and Development coordinator in what has been a very eventful year. We had a great team of coaches on paper at the start of the year and anticipated a great working relationship between them, only to see things untangle mid season that placed the club in great jeopardy. We then recovered with a revamped coaching outfit that took the club well into the finals series and to second place in the club championship. Throughout the year, Kevin provided great leadership in this area supporting the club executive with advice when crucial decisions needed to be made. Well done Kevin on a great year and thanks for your support. Also well done to all the coaching and management staff on a great season.

Players – My thanks to Shane Geloven as Club Captain and Mark Stone as Players Representative in the time they have given in representing the players to the administration of the club over the past year. At times there was debate over direction of the club and the player's requirements and I admire the passion that Shane and Mark showed in these discussions. At times there has been some misalignment in this area and moving forward into 2009 I believe there are some communication areas on the running of the club that need to reach the players in a more effective manner.

Sponsorship and Fundraising – another great area for the club in 2008. The committee expertly led by Grahame Tresidder and also comprising Terry Nutt and myself and occasionally Phil Nicol, did a great job in raising much needed sponsorship and fundraising money for the club to allow it to operate at the business level that it does. Of particular note, the arrangement achieved with our Major Sponsor Illawarra ITeC, and the success of our sports luncheon and charity golf days were a great success. This is one area of the club in its management that does not need tampering with as we move forward. The approach and processes being used along with the mix of skills the different committee members provide are all ingredients that have led to the club's success in this area throughout 2008.

Ground and Facility Management – another very successful area in 2008 due to the efforts of four people in Andrew Cracknell, Kieran Smith, Barry Cavenough and Rowan Allnutt. Their no doubt will be others I have missed. Well done to all of you in ensuring our club house and ground facilities are without peer in the Illawarra Rugby Competition and Northern Suburbs area.

Canteen Management – very well managed again by Marilyn Saywell in 2008 that has raised a significant amount of the club's income stream throughout the year. The thing with Marilyn is that she makes it appear all so easy with everything under control but I can assure you there is a lot of work and planning going on behind the scenes to achieve the rigour that we see in the output in canteen operations on game days. Well done Marilyn – you are a great asset to this club.

In closing a couple of final thank you's.

To our outgoing President Garth Doyle, congratulations and well done on a great year in 2008 that caps four great years in you leading this great club. Enjoy retirement from Shamrocks administration and we look forward to your continued interest in the club as a valued member.

And last but by no means least, a huge thank you to my now wife Larissa. While not being on the committee and involved in the administration of the club, this lady has been my sounding board and support arm in my leadership of this club over the last 12 months. At times it was great to have an outside set of eyes and ears providing me with feedback on the great work we were doing as a club administration. Thank you very much as without you supporting me things would have been much harder to achieve.

To those outgoing members of the management committee, well done on a great tenure and be proud of the great work you have done for the Shamrocks club. To those incoming members, you are joining a great committee that is strong in leadership, and very disciplined with its business acumen, and I look forward to working with you in my second year in my term as senior vice president.

# **Treasurers Report**

A strong commitment from our sponsors and supporters, in combination with the continued on-field success of the Shamrocks in the 2008 season has ensured our club remains in a sound financial position.

Through the continued efforts of the sponsorship committee, sponsorship revenue remained strong. Of significant importance is that our sponsorship base has broadened significantly, thus reducing our exposure to risk.

Proceeds from fundraising activities, in particular Canteen Sales, Sportmans Lunch, and Golf Day again provided valuable income, this year supplemented by ARS and Illawarra representative fixtures. Shamrocks thanks all those who volunteered their time throughout the year to the club, be it in the canteen, fundraisers, maintaining the ground and clubhouse, or by supporting local business who support the Shamrocks.

It was pleasing to report our registered players and members again did their part in ensuring all due fees were paid, and in running the raffles to provide further income.

In all, this has permitted the club to meet the expenses of fielding three senior teams (and provision of equipment, services, medical supplies and treatments) and maintain and improve the Ocean Park facility for the benefit of all members and the broader community. With the DA in to council for further development of the ground, we will be looking to raise additional funds this year to finance this growth.

Whilst it is likely that 2009 will see growth in the region slow, it is comforting to know that we still have significant upside to our revenue streams. Unlocking the potential of the hall (hire) remains our single biggest prospect for income growth, along with proper utilization of the website to produce income and benefit members and sponsors alike.

Establishment of a sinking fund should be undertaken prior to the commencement of the 2009 season, so as to provide for future major maintenance of the Ocean Park facility.

## **Special Thanks**

As in previous years, I would once again extend a very special Thank You to both Terry Nutt and Marilyn Saywell for their continued assistance throughout the year.

*Honorary Treasurer*  
*Mark Patterson*

## **Independent Audit Report to the Members**

I have audited the attached statement of income and expenditure of the Woonona Shamrocks Rugby Club Inc for the period 1 October 2007 to 30 September 2008. The Committee is responsible for the preparation and presentation of the statement and the information contained therein. I have conducted an independent audit of this statement in order to express an opinion on the statement to the members.

My audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the statement is free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the statement. These procedures have been undertaken for form an opinion as to whether or not, in all material respects, the statement is presented fairly in accordance with applicable Australian Accounting Standards so as to present a view of the Club that is consistent with my understanding of its financial position and cash flows.

The audit opinion expressed in this report has been formed on the above basis.

### **Audit Opinion**

It is not practicable for the club to establish accounting control over all sources of income prior to receipt by the club and accordingly it is not possible for my audit examination to include audit procedures to extend beyond the amounts of income recorded by the club.

In, my opinion, subject to the limitations imposed by the foregoing, the attached statement of income and expenditure presents fairly in accordance with the applicable Accounting Standards the financial position of the Woonona Shamrocks Rugby Club Inc as at 30 September 2008, and the cash flows for the period then ended.

# First Grade Report

Firstly I would like to thank the people that have helped me not only this year but over the last three years as first grade coach. To my lower grade coaches Adam Potter 2<sup>nd</sup> grade, Brian Hutton and Marc Joy 3<sup>rd</sup> grade, thank you for putting in all the hard work during the year and to Marc Joy for also being my first grade manager for the past three years.

To Barry Jones for his fantastic work as fitness coach and input on game days, as I am sure Barry can play an important role in the future of the club what ever role that may be.

To John Delaney, Hilly Corris and all the crew for getting the players ready for game day thank you.

A big thank you to Kevin Crick for the past couple of years as our Club Manager, truly some of the things Kevin does without you asking is unbelievable and without a doubt he has been one of our greatest assets in the way he works with the players and coaches.

From a coaching point of view we have in my opinion the best Club Coach in the competition in Richard Thompson. I can not thank Richard enough for what I have learnt of him about coaching and man managing players through his experience and I am a better coach because of my experience with Richard.

The 2008 season was one of ups and downs, going through the first round undefeated along with a terrible injury toll through out the club, and dropping a few games heading to the semis. But as we have done over the last few seasons the players responded and regrouped well as a unit, going to within one game of the grand final.

It was disappointing not to defend our title as I could tell by the looks on the players faces after the loss to Shoalhaven. But I would like to thank the players for their commitment through out the year. As I have said to the boys they are a special group and have no doubt they will be again be successful in the future.

In closing, as many of you are aware, I am stepping down as first grade coach as I have other commitments to fulfill. I would like to thank everyone involved over the last three years, as being first grade coach of this great club has been an honor and very enjoyable . Most of all I would like to thank the players who have shown me great commitment and respect which is something I will never forget.

*Yours in Rugby  
Brendon Schoupp  
First Grade Coach*

## **Second Grade Report**

Another great year for the Shamrock Rugby Club. Some bright new talent came through the club this year which really impressed me.

We had a great start to the season with some great wins, although win didn't finish as good as we started I think a lot of positives came out of the year and we will be better for it next season. To get where we came this season in a very competitive competition was a credit to everyone involved with 2<sup>nd</sup> grade this year.

A big thanks to all the coaches and support staff for there help this year. Also to our 2<sup>nd</sup> grade manager John Kampen for his help and support this year.

So to everyone involved in 2<sup>nd</sup> grade this season thanks for the big effort and a great year. Hope everyone is back to do it all again next year.

*POTTZ*  
*Second Grade Coach*

## **Third Grade Report**

Third grade had another good season with encouraging signs for next year. We made it through to the final, but unfortunately, we came up one win short of a place in the decider. A big thank you to all the players who contributed to the 2008 season without whom, we could not have competed at the level that we did.

This year we had the youngest and the oldest player in the senior club playing along side each other. It's great to see the more experienced players sharing their knowledge with the up and coming players for the club and the youth reminding the older guys of years gone by.

Congratulations to Beans "Anthony Hines" for making the Australian Police Rugby side which toured New Zealand during the 2008 season.

Thanks to Joyo, Tom and Phil for all their invaluable help throughout the year and thanks to club and supporters for keeping the thirsty thirds motivated.

*Yours in Beer*  
*Buster*  
*Brian Hutton*  
*Third Grade Coach*

# Canteen Report

The 2008 season got underway early for the Canteen and BBQ Boys this year. The club hosted the Illawarrior's against Newcastle game on the 8<sup>th</sup> March.. This was a BIG day and helped us prepare for an even BIGGER DAY on 24<sup>th</sup> May when we hosted the NSW Cockatoo's playing the Darwin Mosquitoes. Both these special days and the 10 home games for the year were very successful in raising club funds and promoting our profile in the "Rugby Community". Without the help of our many volunteers behind the counter and in front of the BBQ we would have been that much poorer. Thank you ALL.

There were many volunteers all year and Special Mention must be made to the following for their outstanding efforts during the year. They are Pauline Tresidder, Gina Crick, Bev Fraser, Megan and Andrew Cracknell, Cheryl and Terry Nutt, Helen and Terry Chesser, Pauline and Vaughn Judd, Phil Nicoll, Barry Cavanough, Liz McAndrew and Stephen Saywell.

I also pass on a very big thank you to Lindsey and Lesley Markham for their valued and continued support over many years with the bread and rolls for the BBQ. Lindsey is retiring soon and we wish him and Lesley well in their retirement.

Goran the "Coffee Man" backed up again this season and the club is most appreciative of his donation of \$600 to club funds.

The match Day programme is a well respected tome providing information of club highlights, player roster and personal glimpses into club activities and most importantly our SPONSORS. For their contribution to the "Match Day Programme" many thanks must go to Lauren Saywell, Stephen Saywell and Scott and Larissa McKellar.

Thanks also to those members who assisted the cleanup after the vandalism of our club in July - Garth Doyle, Barry Cavanough, Stephen Saywell, Rowan Allnutt, Pauline Judd and Pauline Tresidder.

Our club once again supported the Cancer Council through the "Big Morning Tea" and the Charity Golf Day. Over \$4,000 was raised from these two events.

Go the Rocks

*Marilyn Saywell*  
*Canteen Manager*

## Club Captain's Report

I would just like to thank all the players for the year and what we achieved on and off the field. Their effort and support made my role enjoyable. All grades making the semi finals makes us a force to be reckoned with once again in Illawarra rugby.

Thank you to all the committee members on a great job this year. Their constant organising and success is something they should be proud of.

I've enjoyed my 2 years as club captain and I would especially like to thank Pebbles for all his help because I couldn't have done it without him. I wish the future club captain all the best and my help and support will be there if needed.

*Yours in Rugby  
Shane Geloven*

## Remedial Therapy Report

A very hard year from our side of the fence. We sustained more severe injuries this year, than we have in the last five seasons.

Our numbers were down with students and that also added to the workload.

Hilly was again, ever reliable and Louis Cortez & Steve Cooper put in a lot of time. These people are the reason our team continues to function, as it does.

The player's efforts, under the injury circumstances, were quite amazing. Any other club would have struggled to be competitive in one grade, let alone three.

Once again, the player's co-operation and interaction with the students enable us to continue in this fashion.

I will be taking over "Karuna College" next year and the process has already begun. We're hoping for a larger student intake and therefore improve the quality of treatment for our players.

Hope everyone enjoys the break and we look forward to another successful season next year.

*J.D.  
Remedial Therapist*
