President's Report 2013

It is with pleasure I present the 2013 President's Report for the Woonona Shamrocks Rugby Club. We have completed another successful season in 2013. Successful on a number of fronts. Junior and Senior numbers representing the Club and the success and agony with the 1st, 2nd and 3rd grade sides making the Finals. A great effort, none the less. The coming together of many people, players, coaches, managers, parents, wives and girlfriends and the supporters is what a Rugby club is all about. Some things we did better than others. However I thank all involved, in whatever capacity, for their contributions throughout the season.

The winning of the IDRU Club Championship reflected what a terrific season 2013 was for the Club. With many active participants in the Club, the attainment of the Club Championship reflected the input of everyone involved. We can all be rightfully proud of this result. Special congratulations to our Undefeated Colt Premiers who were an integral part of our club this year and the Club Championship.

The Club had good player numbers this year and we continue to recruit new players into the Club. We have a membership base that embraces players from all parts of the rugby playing world. There were new players that joined the Shamrocks ranks this year, there are the true club players that stay with the Club and there are others who are passionate about the Club and bring along their mates.

To all our players that have played representative rugby this year - congratulations. You all did the Club proud and I encourage you to continue your commitment and to be a proud Shamrock. On the playing field our Grade Teams, as mentioned, had a great season making the Semis in all grades. My thanks to all coaches, Dion Miller and Richard Thompson in Firsts, Marc Joy and Brian Hutton in Seconds, Ben Turner, Andrew Johnston, Vaughan Judd and Kieran Smith in Thirds and last but not least Ray Wylie and Craig Duncan in Colts, as well as the Managers for all Grades. Our appreciation to them for their efforts throughout the season. To all our BBQ Boys, Game Day Helpers, Canteen Staff and Volunteers, many thanks for all your endeavours over the course of the year. You are all an integral part of the team and without you and your efforts, the rugby life we all enjoy would be very different.

All facets of the Club activities have been managed by a hard working committee. The reality of successful and prudent financial management of the club is at the forefront. The Executive of the club is forever mindful that we manage these funds to the maximum benefit of all. It is, as with all amateur sporting clubs, especially in our area a continuing battle to seek a balance between fees for players and the ever increasing costs of running the club. Suffice to say without our Sponsors we would not survive. Sponsorship is becoming more and more difficult to secure for many reasons. Essentially sponsors are approached by many groups seeking support and the fact is that these are tougher economic times for many businesses.

Having made that point it is therefore very important I acknowledge our sponsors for 2013. Firstly our major sponsor Access Law Group and also other major contributors, Bellambi Pub, Step Into Life and Bellambi Bowling Club. The club is in a good financial position thanks to sponsorship, member's subscriptions and fundraising activities. Without the support of our sponsors the club would struggle to survive, let alone be in a position to promote rugby

within the community. We look forward to continuing our relationship with all of our sponsors in 2014. A special thanks to Steve, our Secretary, who took it upon himself to put together a Home match day programme. We acknowledge the support of advertisers in that programme.

I would like to congratulate our four New Life Members, Mark Dandridge, Terry Nutt, Barry Cavenough and Ken Phillis, their input and contribution is well recognised and I thank them all for their energy, commitment and passion for the Club. I would like to thank everyone who has ably assisted me over the last year. This is a great club, with a great history and it has been an honour to be your President.

Vice President's Report

2013 has been a successful year for our club both on and off the field. On the field we took out the IDRU Club Championship, Colts Premiership and had all Senior Grades in the Semi – Finals. When we combine this with the success of our Juniors (I won't steal Cracker's thunder here), but to have 6 Juniors selected for NSW is a major achievement for our club, and one we can all be proud of.

If there was a disappointment it was that our 1st & 2nd Grades did not progress further into the Finals series and possibly Grand Final. Having said that, both Grades were extremely competitive this year and it came down to the performances on the day and unfortunately we fell short. Certainly in 1st Grade I think anyone of the top 5 could have taken it out this year; however both Camden and Avondale were able to be the more consistent over the course of the year and deserved their place in the Grand Final.

Coaching can be a thankless task at times and all of our Coaches should be congratulated on their efforts this year as it has been a good year for the Rocks. So a big thank you to Richard and Dion in 1st Grade, Marc and Buster in 2nd Grade, Vaughan and Andrew in Thirsty's, and Ray, Scott and Craig in Colts and to all Team Managers and those that assisted the grades this year for their efforts during the year as there is a lot of work that goes into preparing sides for their games each week and you all put in a great effort throughout the season.

I believe with the involvement and efforts of Dion, Vaughan, Andrew, Ant, Josh and Jordy in particular there was a good connection between the on field teams (players and coaching staff) and the off field team (being the committee). This meant that we were all on the same page with issues and working for the common good of Shamrocks which was really pleasing to see this year. It certainly makes it more enjoyable. A big thank you must go to Steve, our physio, and Hilly for their tireless efforts to get and keep our guys on the paddock and to provide the best care possible when guys did get injured. I know all the players really appreciated this.

As always our working committee was there to ensure that the best possible facilities, equipment and environment was provided to make playing for the Rocks both enjoyable and rewarding. We are blessed with I believe the best, most cohesive and hardworking committee's in the district which is continually displayed by how well our playing field,

amenities and service is at each and every home game. We are frequently complimented on this and everyone can feel proud of what we have achieved in being held in such high regard in the District. Our Canteen and BBQ facilities are by far and away the best in the district and it can only happen through hard work and dedication. So a huge thanks to Marilyn and all the canteen Ladies (and Gents) and to Captain Cav, Schnitty King Nutty and the BBQ crew who really do a great snag, steak and now world renowned Schnitty!! Following our hosting of the Yorkshire Terriers this year I am sure our reputation is now extending to England and into Europe as the guys were most impressed!!

I will cover off the financial impact on the club of having such a well operating Canteen and BBQ in my financial report, however needless to say we would not be such a strong club with the facilities we have without this. To the Final 15 crew who give up so much of their time to keep the ground and clubhouse facility in tip top condition thank you again on a great job this year. So well done again to Captain Cav, Steve, Nutty and all the team, you really represent what this club is all about. Thank you also must go to Lorrell (Luvvy), for her efforts this year in coordinating the hall hire. Luvvy did a really good job of this during the year and if you think coaching is a thankless task then try the hall hire assignment as this really is a job where no one really sees the effort that goes into this aspect of the club's function. It can also at times be a fairly "grubby" job as sometimes the clubhouse is not left quite how you would like it.

The off the field highlights this year for me where the Sportsman's Luncheon (the Marco & Melon show), which was a really enjoyable and successful day so well done to Grahame, Vaughan, Steve, Nutty, Marilyn and the others helpers for another great day. The presentation night was one of the most enjoyable ones I can remember so a big thank you to Belinda and Josh for all their hard work in getting this organised. A job well done. The other big event this year was our hosting of the Yorkshire Terriers. What a great couple of days with a good bunch of like minded rugby nuts from Yorkshire (who could also play rugby pretty well!!) This was a great event and hopefully we get another opportunity like this in the future.

Can't wait for season 2014 to roll around, I am sure it will be another successful and enjoyable year for the Rockies.

Junior Report

The Junior Subcommittee failed to supply a report for 2013 in time for publication in this Annual Report. Therefore to ensure that the members of Woonona Shamrocks Rugby Club have some record of Junior activity in 2013 the following was compiled by myself in my capacity as Club Secretary.

The club entered Junior teams in the IDRU U7's, U8, U9, U10, U11, U13, U14, U15, U17 age groups. With assistance of some dedicated parents each team was able to compete effectively and all had some modicum of success in 2013. All teams tried hard this season, with 5 teams making it into the Semi-Final series. The U11's and the U14's both finished 4th on the ladder, making the Minor Semi-Finals. That was as far as they went with both losing

in closely contested games. The U13's finished 2nd and unfortunately lost the Major Semi-Final and then the Preliminary Final in successive weeks to miss out on a Grand Final berth.

The standout team of the year was our Under 15's. They were effectively coached by Steve Arthurs and Grahame Tresidder and had a great Manager in Granddad, Barry Aylett. The encouragement and discipline administered in training at Ocean Park saw the 15's as the dominant team in this division all year, taking out the Minor premiership. But as we all know that accounts for little once a team gets into the final series where anything can happen. That was the case this year where Campbelltown provided some very stiff opposition in the Grand Final and it was a nail biter right down to the whistle. Either team could have won but it was our glorious Shamrocks that were victorious and declared true IDRU U15 2013 Premiers. The U17's also had a great year taking out the Minor Premiership and making the Grand Final, again against Campbelltown. While the Shamrock 17's had had good wins against Campbelltown during the previous games in the season the 'rub of the green' went against us in the Grand Final which saw Campbelltown the winners and taking out the premiership.

Liam Rash, Blake Schoupp and Brendon Neville

in club, NSW Country and now NSW State team provides these teams with combination of power that allows a forward pack to dominate.

Not to be outdone the U17 Shamrock side also has three selections in the NSW State side in 2013. Lachlan King (prop), Gareth Thomas (prop) and Kieran Bonin (second row/no8) are all well deserved selections in the NSW State side.

The Shamrock club is fortunate to have players of this calibre in our ranks and we all look forward to their success at each stage of their careers as they progress through the Junior ranks and hopefully onto the paddock at senior level. They obviously have talent and thanks must go to their coaches Steve Arthurs and Grahame Tresidder (U15's) and Paul Ridgway (U17's) for their encouragement and direction that has allowed that talent to blossom and be recognized by the NSW State selectors. Well

Over the year's Shamrocks have had many representative players at District and Country level but only a handful have been selected at the elite level of a NSW State representative. This year it has come as no surprise to those that know that our U15 and U17 Shamrock Juniors have had a combined total of 6 players selected in their respective NSW Junior sides.

The Shamrock Juniors selected in the NSW U15 side are Liam Rash – a rangy second rower, Blake Schoupp – hooker and Brendon Neville – a strong No. 8. All are in the 'engine room' and their combination

Lachlan King, Gareth Thomas and Kieran Bonin

done boys, you obviously deserve your rewards. You can be assured that there you not only have a lot of proud family members but also a large support base of a strong Shamrocks community who all wish you well.

While the achievements of our older Juniors are to be commended the emphasis for our Junior Shamrocks is about participation and enjoyment of the game. That is why there is no competition results for the Under 7's, 8' or 9's. It's all about coming down, having a run and enjoying a game of rugby. Our Juniors are a relatively strong club and I know from experience there are a lot of enthusiastic parents that get down and support the boys on the field. That support is also evident around the ground on game day in the canteen and at the BBQ. Without the parent support that we see all the time the club would not function as well as it does. The Senior Club look to the Juniors as the future of the Shamrocks and that is the reason that we have such a strong club. The emphasis has always been and always will be on 'growing your own'. We see Woonona Shamrocks as a way young Rugby Players can get a taste of the game, be coached correctly and be given an opportunity to display their Rugby talent. If they are good enough then we wish them well in stepping up to higher levels of Rugby. Our walls are littered with Shamrock player achievements. The Woonona Shamrocks are a strong club and it we look forward to seeing our Junior players rise through the ranks into our Senior Grades and beyond.

Treasurers Report

After we experienced some real financial challenges in 2012 with a significant reduction in Sponsorship revenues and increased costs it is pleasing to report that we have had a much better year in 2013. This turnaround is very pleasing and a reflection of the hard work of many of our club members and committee in 2013. It has been a real team effort here with a lot of members pitching in and putting that little bit extra effort in to ensure that as a club we could "stay afloat" financially and be sustainable into the future. It was typical of what this club is all about, so a big thank you to the committee and all the club members that worked hard during the year.

We were successful in getting a new major sponsor on board in Access Law Group so thanks to Tom Ellicott and Graham Lancaster for coming on board and they have confirmed that they will again be on board in 2014 which is great news for our club. Bellambi Hotel who have supported us for years continue to be a major sponsor as well so our appreciation goes to Brendon and the Hotel Team we really appreciate this ongoing support. Our minor sponsorships (fence signage) increased also through 2013 which was pleasing so when compared to 2013 we can go into the 2014 season with more confidence that we at least have some good sponsorship revenue helping to cover our ever increasing costs.

The other financial highlights for the year were good revenue raised though hosting the Illawarra dog show in February, some good revenue from home preseason trials, the Club Membership auction, hosting of the Yorkshire Terriers game, the Sportsman's Luncheon, opening the bar on a Thursday night for post training drinks and the Hosting of the Final. These events all contributed significantly to our income throughout the year. The

Sportsman's Luncheon was again this year our biggest individual revenue raiser netting the club just over \$10k in profit. So thank you to Grahame, Terry, Steve, Marilyn & Vaughan for their efforts with this event.

Hall hire revenue was also good during the year and this is another aspect of the clubs activities that will be important to continue to grow and represents some great opportunity for the club to increase revenue here. Thank you to Lorrell (Luvvy), for her hard work with this during the year. As in previous years a big thank you goes to Terry our Assistant Treasurer and to Marilyn our Canteen manager for their financial management assistance during the year. Between them they looked after the day to day tasks of banking, reconciling etc, essential for the sound financial management and accurate reporting for the club. So thank you for your efforts here it is really appreciated.

In summary 2013 has been a successful year for us financially and through this we have been able to build our investment account up to just over \$40k. This account has been set up as a Capital Expense account to ensure that we have monies to cover any unforeseen major expense. It also maximises our interest revenue while we have this sitting in this interest bearing account, so hopefully we can continue to grow this account to help underpin our club financially into the future. I will cover off in more detail the various expense related items and revenue streams and their trends on a year by year comparison at our AGM as there is not the space to do this in the context of this report.

While 2013 has been pleasing financially there are still major challenges ahead for our club in 2014 and beyond. Addressing the increased cost burdens being placed on us, securing new major and hopefully long term sponsors as well as exploring more avenues where we can raise additional revenues will ensure we have a strong and viable club well into the future. So we will need to continue the hard work to ensure we achieve this.

Ground Coordinator Report

Season 2013

Again no lives were lost and no injuries reported during this season. The Final Fifteen Crew has been very busy over the year maintaining the ground and surrounds to the highest standards. We have been able to maintain an acceptable playing surface throughout the year, despite only having one field. We are faced with a very difficult task to keep the field 'playable' when it is used for training (days and nights, juniors and seniors throughout the week), game days on Saturdays and Sundays as well as been hired out for a variety of events. The field cops a pounding and it is a credit to the Final Fifteen that they are able to keep the field in as good a condition that is presented to the players each week.

It takes about \$10,000 to repair, maintain and upgrade the field in the "off season" in preparation for the following season. We have a very limited amount of time to "recover" the playing surface in this "off season". Nature is given a hand with watering, fertilizing, aerating and top dressing but it still takes months for the grass to re-establish itself and produce a surface suitable to start the season all over again. This means that as soon as the footy season finishes the Ground Crew is put into action and we work all through the summer to bring the field back to its best.

Congratulations to all the persons listed below for their dedication to the club and their continued involvement throughout 2013:

Mick Walsh, Mick Traynor, Allan Potter, Ken Phillis, Steve saywell, Marilyn Saywell, Anne Phillis, Rowan Allnutt, Terry Nutt, Terry Chessor, Grahame Tresidder, Barry Johnston, Garth Doyle, Peter Smith and Peter Towers plus the occasional international visitor or old Shamrock looking to while away a couple of enjoyable hours. Anytime you would like to buy one of us a beer that will be OK.

If anyone would like to get involved with great bunch of Shamrocks just come down to the ground any Thursday morning between 9:00am and lunch time. We are there 52 weeks of the year and you will receive a very warm welcome and encouraged to become involved in helping maintain our club as an icon in Illawarra Rugby. It is with great sadness that a vacancy has become available with the passing of my good mate Ron "Nugget" Nipress. We are very keen on getting someone to fill in Nugget's position. He was handy all over the place with skills that he could regale about for hours.

Congratulations to all our players, coaches, trainers and managers both in Seniors and Juniors for their support and cooperation throughout a very difficult season. It is with great pride that the Final Fifteen Crew feel that in some small way we have supported our club and players and they in turn, through their efforts and skill, have brought home the IDRU Club Championship in 2013. This is a reflection on the whole club and their efforts in 2013. A Champion Club.

Finally I must thank Tony Crew and Max Hobbs for their continued support and donations throughout the year in the supply of funds for fuel for our machines used at the ground. They do not seek to be recognized and go about their support of the club in an unassuming and humble manner. Thanks from all of us. See you all next year on the BBQ. Merry Christmas and Happy New Year to all.

Yours in Sport - Barry Cavenough

Canteen Report

Our great band of volunteers were in action from 17th January when Thursday night bar trading began and operated continuously through to mid September. In the pre-season we catered for the Annual Illawarra Kennel Club Dog Show followed by 3 weeks of trials and then the inaugural Colts Tens Tournament. The season proper saw us host nine home games on Saturday afternoons and one Friday night game, the IDRUGA Final on 14th September and our Grand Final celebrations on 21st September.

In mid July we welcomed the touring Yorkshire Terriers as we hosted their tour launch dinner in our club house. Two nights later on 11th July they played an Illawarra Colts representative side and enjoyed more Shamrock hospitality. This event was an outstanding success for our club and hopefully we will see more international visitors enjoy our hospitality.

Well done to all in the Canteen and behind the BBQ during the season. We served over 16,000 cold drinks, 3,700 hot food items and dispensed the best advice any visitor or district official could receive from a totally unbiased host. Thanks must go to the efforts of Anne and Ken Phillis, Terry and Cheryl Nutt, Mark and Lorell Dandridge, Barry Cavenough, Steve Saywell, Julie Heycott, Janet Traynor, Vaughan Judd, Ben and Barbara Turner, Rowan Allnutt, Mick Walsh and Pauline Tresidder.

On Centurion Night we were helped out by Crackers and Mitch Smith as well as our dedicated Committee Members. The Thursday Night Bar duties were shared by Ken, Terry, Steve, Luvvy and Dando. Many thanks to Steve and Ken for keeping beer stocks afloat at the club – some 536 cases were required to be transported to the club to let our members avail themselves of much needed rehydration therapy. Nutty was also a vital cog in the wheel on game day as he picked up and delivered all the bakery items required to keep the BBQ operational during the season. A very busy year for the canteen and an outstanding effort by a great bunch of Shamrocks.

To all who supported the canteen and bar during the season I wish to extend to you all a very BIG thankyou and may you bring back your thirst and appetite in 2014.

Match Day Programme

It is so pleasing that all our loyal sponsors of the Match Day Programme supported us again in 2013. Thank you:

- Woonona Fruit Basket
- Mountain View Meats
- Leisure Coast Auto Electrics
- Black Diamond Bakery – (the best pies in Australia)
- Kotez Chickens
- Ruby's at Bulli Beach

- Black Diamond Hair Design
- Woonona News Agency
- Laundry Maids

Thank you all for your continued support and a very big welcome to:

- Woonona Smash Repairs
- Woonona Eye Care
- Royal Currie Thai House
- So Chic Hair Art
- Step Into Life

who have joined us this year and we hope will continue their valuable support for many seasons to come. All Shamrock supporters are urged to support our local businesses who have generously supported our club.

Thanks to Steve for all the time he has put into writing up and generating the programme content. It would be easy just to put out a list of players but our programme has always been more than that – well done Steve. The programme would not be the same without those great player action shots. Kisane has once again done an excellent job supplying game day snaps for the programme and also on our Facebook page. A picture is worth a thousand words and Kisane's ability to capture the action is a highlight of our Shamrock publications and presentations. Thanks also to Lauren Saywell from "Kiss the Sky Creative Media" for her efforts in the creation of the Match Day Programme advertising and cover and Brad Smith (Colour Print Solutions) for such prompt and friendly service with any of our printing requirements.

Hall and Ground Hire

It is my first official year volunteering for Shamrocks in a very long time. This has been a busy year for the hall. I would like to thank in particular Marilyn Saywell for all the help given to me with holding this position and the Final Fifteen Crew for all the help with the moving around of the tables and chairs as requested for each of the functions this year.

We started off in January with two beautiful wedding receptions, one of which we were able to obtain some lovely photos for our web site of how our hall can look with a bit of theme decorating. Since then we have had another four private functions with two of these functions having an open bar so the club was able to make some extra money in alcohol sales

In July the clubrooms hosted a touring Yorkshire Terrier Colts side. This was held during the week over two nights and once again the hall and ground were in top shape and our visitors were extremely impressed by our facilities. The hall has the daytime bookings with the North Illawarra Probus Club still having their regular meetings each month and Holy Spirit using the hall over two days in August. Holy Spirit has already booked again for 2014. Also during early mornings and in the evening we have Step Into Life using the surrounding grounds.

In between all the unrelated functions held in the hall we have also managed to fit in some of our own enjoyable nights with one in particular being the Centurion Night with the auctioning off of the first fifteen club numbered badges which was a great fun night at the clubhouse. We still have some bookings happening for later this year, so the hall will help generate some income during the off season.

In closing I would like to also thank Andrew Cracknell (Crackers) for organising the bar staff for the functions. I would also give a big thank you to Julie Heycott for her bar assistance during the year.

First Grade Report Season 2013

First and most importantly I want to thank all those who not only played First Grade this year, but also those who sat on the bench, and those who trained with us. I acknowledge the dedication that many showed at training to improve their personal game. The commitment by the players to game plan we presented and the direction we provided to them was also very pleasing to the coaching group. It took a lot of time for Dion and myself to compile a plan for winning the 2013 competition, among things we discussed were who is returning from 2012, what type of players do we need to add to that group, recruitment of players, work for the new players we bring to the club, Kiama 7's, game plan, patterns of play, training - where and when, pre season matches.....the list goes on. This highlights the most important thing about a successful rugby season. Preparation.

Pre Season:

We organized three trial matches against Maitland, Blue Mountains, Engadine early in March which set us up well for start of Illawarra competition. Prior to these trial matches, a 7-a-side team was entered at the Kiama 7's, where we progressed to the 2nd round and then being getting knocked out by Sydney Uni. Weeks of playing touch at Nicho Park was the catalyst for those that were there and young enough for Colts to tell their mates to come play, the BBQ and refreshments, which Dion provided, started paying dividends as far as new players wanting to play. Before long we were hosting a successful 10-a-side Colts tournament which we comfortably took out. These four events that we hosted enhanced our readiness for Round 1, unearthed a lot of new talent, gave us an air of confidence and made the Treasurer happy.

Recruitment:

Surprisingly, fourteen new players represented First Grade that were not at the club last year. Some of them were former junior Shamrocks who I approached to gauge their interest in returning and they did not disappoint me, playing Rugby like they hadn't been away from the game at all. Much praise must go to Dion for his ability to attract players like Lucas Webb and Frank Roberts to the club and also seek and secure employment for many like, Will Guttler, Mickey Arnold, Hemina Wickliffe, Jake Walker to name a couple. This, we all know is very difficult to achieve. The easy bit is getting quality players, the hard bit is providing an incentive to them to be here.

Round 1:

Our good preparation gave us the start we wanted; going through undefeated. However a lucky draw with rivals Vikings marred a spotless round. While the fields were firm and the sun was shining we were always going to be the team to catch. An almost mirror round to that of the previous year. We were playing exciting Rugby, although not perfect, it was Winning Rugby and a good vibe came over the club while we stayed out in front. The skills and talent displayed so early in the season was very encouraging, many of the new faces stood up and showed Ocean Park what they had. Namely, the power plays by Frank Roberts and Sam Latu, the gazelle like speed of Lucas Webb, the magic of Alyd Owen and the deft skills of Matt Gauna. Late in the round we were had two byes, which didn't help our momentum. After a close draw, then the fields being closed due to the weather and our trainings being disrupted, I was not feeling the spring in our step anymore.

Round 2:

Starting off the second round of the competition we went down to a very good Shoalhaven side at home. We had our opportunities to win that match but we didn't have it. This game proved very costly as we lost Daniel Porra to injury for several weeks. His leadership, knowledge of the game and ball winning ability was sorely missed. Our depth was starting to be tested and our plan to develop selected players was proving to be a master stroke. We still had the active services of experienced players like Josh Woodford who could pass on the tricks of the trade to our young props, like Luke Shiels. This enabled us to fast track Luke into the starting XV to allow his fellow props some respite. Unfortunately we were also to lose Mick Arnold for the season to put further strain on our front-row ranks.

Finals:

The plan was to dominate Camden from the outset. We felt comfortable at half time, then Camden went up a gear we couldn't go with them, simple as that. The Final was a "Do or Die" with Uni. An excellent game that we let get away.

Dion and I would like to personally thank the following for their efforts in 2013:

Anthony Allport - Captain
John Heath - Manager
Dave Reed - Assistant
Vic Thickness -Assistant
Matt Bowen - Messenger
Steve Dean - Physio

Conclusion:

A fantastic time with a fantastic team of guys who played the game hard and fair, started the season very well, got the wobbles in the middle of the season, then recovered to make finals. A special mention of our Best and Fairest recipient, Heath Mercer, who displays that fabled Shamrock spirit every time he plays. My personal assessment is that we showed potential, however did not reach our full potential. The roster of players that we started with and the way we played was awesome, however not to be able to maintain that was disappointing. It was also disappointing that the plan for winning the First Grade competition was not embraced by others, especially when there was no alternative put forward. On behalf of Dion and myself we'd like thank all the boys for allowing us to share with you all the things we learnt about rugby and what it can bring you.

Yours in Rugby - Richard

Second Grade Report Season 2013.

Congratulations to the team for a positive season in 2013. There are various successes that can be celebrated from this season. The attitude to training improved from some of the previous years we (as coaches) have been involved. The winning streak in the second round where we held four consecutive teams to a nil score line was evidence of the improved attitude.

Awards were more difficult to select than past years as there was a number of people in contention for each of the awards, in fact the whole team performed well for the majority of the season. Congratulations to the following people who were rewarded for their performances at the Presentation night:

Damien Clark:	Best and Fairest
Joe Horne:	Best Back
Kurt Davis:	Best Forward
Rick Linsley:	Most Consistent in club

Andrew Parker also excelled in any position he was selected and proved you can score tries from any position on the field.

During the season, it was difficult to establish our team composition. We had ideas of who we would get but through absence and injuries, the team was never constant. Despite this, we performed well on most occasions we went onto the park. The games against University were awesome. It is difficult to remember a season where we beat them by so much. They failed to provide the counter attack and back line flare that we so often expect from them. The game against Avondale in the second round was a strong performance. This is the first time we have seen Second Grade go onto the paddock with the belief they can dominate (and they nearly got away with a win).

Well done to all involved in Second Grade during the season, the team morale was high and the results were mostly great. Let's hope next year we can build on some of the strengths and have an even better season.

Marc Joy and Brian Hutton.

Colts Report - IDRU Under 20's Season 2013

With the first discussions of a Colt's side, it was something Scott, Nick and myself decided was for us. We set about putting together an application for the positions of coaching and managing the Colt's side. With work commitments causing Nick to remove himself from the coaching team, we set about finding a replacement person to work with us - who knew something about what forwards do. In Craig Duncan I knew we had found that person. Craig is someone who was always going to bring a level of commitment and passion to the squad, he did that and more. Everyone here knows that without a good manager things can

go very wrong (if only we had one). No; really, without Scott Grover doing a fantastic job, with all the paper work, we would not have had such a successful year, thanks Scott.

We had no idea at the time how many young enthusiastic and very talented players we would get. Time would tell how many of these young men wanted to stay and play together, even if some of them got limited time on the field. To top up their playing time many of the guys played for the grade teams, at times showing a maturity beyond their years. Some getting their first taste of First Grade Rugby thanks to Richard and Dion who rewarded these boys for the quality of footy they were playing. The season struggled along and at times stalled but the boys hung in there and were rewarded for that with the Minor and Major Premierships and not losing a competition game all season.

It has been a privilege to be involved with this group of guys and you can see their commitment to footy by the effort that was shown at training and on game day. Training nights were mixed with some nights attracting a full squad and others only a few. When needed though, players from all the grades would give up time to help pass on some hard earned experience to our group of eager to learn group of guys, a big thankyou to those people.

With our squad starting to settle into a team we decided to pick a captain. After a couple of training sessions it became very easy to pick Kyle Heycott as captain, he showed all the attributes that make a good leader. Even to the last game Kyle lead from the front and never left the hard work to others. We also had help along the way with input from Jack Daskey, Luke Tonegato and the only person who never shut up and probably wanted my job; Emrys Owen. To the physio, Steve, the strappers, Hilly and Di, the water runners, First Grade coach, Dion, and last but not least congratulations to our committee, led very well by president Pebs. We would like to thank all of you for your contribution this year in getting all grades on the paddock each week and supporting the Colt's in their inaugural season.

Third Grade Report Season 2013.

Season 2013 looked very promising for 3rd Grade. We managed to attract good numbers at pre season training and this continued right up until the competition commenced. There were a couple of clubs in 2013 who would not be fielding a 3rd Grade team and they were Kiama, Shoalhaven, Engadine and Vincentia. This left 7 teams to contest the 3rd Grade competition including Shamrocks. Player numbers were excellent but as always 3rd Grade will suffer when players in the higher grades are unavailable due to work or injury and that just how it will always be.

I would like to thanks all the organisations that sponsor the Shamrocks, your support is crucial into the running of the club. To the Final Fifteen (Thursday Crew) the work you do on the ground all year round is a credit to each and every one of you and it is greatly appreciated by all players, we have the best facility in the competition and I have no doubt with all the hard work the Thursday crew put in week after week it will stay that way for a long time to come. It's a great ground to play on. To all the people who work tirelessly in the canteen thank you; it's the best canteen/bar/BBQ in the competition (by a long way);

nothing comes close. To all the committee for their support during 2013 thank you, the work done behind the scenes does not go unrecognised.

On the playing front in 3rd grade we only managed to win 3 games all season but I know everyone who played in 3rd grade had fun and enjoyed their rugby. To be more successful on the competition ladder and on the playing field we must get numbers consistently to training week after week to get combinations right. We had the ability but lack of attendance at training and players moving up the grades at times really hurt us but we always gave it 100%. To everyone that played 3rd grade please come back next season and have another run with Shamrocks. In the end we ended up scraping into 5th spot but were knocked out week 1 of the finals. We had some very close games during the season but lack of combinations killed us and small numbers at training. Our backs were chopped and changed all season which did not allow for consistent play however our forwards were pretty consistent all season. Congratulations to the 3rd grade award winners Jordan Decelis best and fairest, Dave Smith best forward and Tim Parker best back. Tim Parker put in a huge effort to make games and I thank him for his efforts all season.

3rd grade did not have a coach this season but special thanks must go to Kieran Smith who basically ran the team this season, Ben Turner who also did a wonderful job in organising players and positions on match days and Vaughan Judd who ran the backs and played to the best of his ability while also juggling his match day controller duties. Adam Potter congratulations on your 300th game and thanks for all your help with the team as well. Congratulations David Smith on your 100th game. Thanks Phil Shilling for doing the managers role; your help was great. Thanks to all those Colts players who played in 3rd grade and helped us out when we needed you.

It was a successful season IDRU Club Champions and Colts Undefeated Minor Premiers and Premiers. Well done to all. I am not sure of the competition format for next season but I ask that everyone who played 3rd grade for Shamrocks in 2013 get back to pre season training in 2014 and gear up for another season and be ready to go no matter what. We are a pack of Shamrocks.
