President's Report 2015

Dear Members,

The 2015 season has been marked with many challenges. The Management Committee has done its best with the tools at hand to keep your Club steering for a positive future.

I would like to acknowledge and thank our major sponsor Access Law Group and all other sponsors who support our great Club. The Management Committee and volunteers work tirelessly and it is their efforts that truly sets our Club apart. The coaching staff, trainers, support staff and all others who keep players on the field, your efforts are recognised for the great work you have achieved throughout the year even though the results have not reflected this.

The juniors of our Club have excelled this year and have done your Club proud. It is through your combined efforts that Shamrocks Rugby Club has good stock coming through for its future. To this end I thank the parents, supporters and players. I am excited to lead your Club to a more successful 2016 season both on and off the field.

Garry Weston

President

Vice President's Report

It is with sadness that I make my last report whilst being an active member of the Shamrocks Committee as I will not be pursuing the Vice President role or any Committee position in 2016. It is time for me to make way for "new blood" to participate in the running of this great club. We have a promising future and the Club is getting bigger and better every year. So to continue growing we need fresh ideas and willing workers and there are many capable members who can step up to the mark.

I would like to thank all the Committee and Club members who have assisted me and made my job pleasurable and rewarding during my committee years. I will be continuing as an active member of the Club helping in the Canteen, on the BBQ and Thursday Crew duties.

This year has been disappointing on the field but like all Clubs there are the good years and the ordinary years. I thank Mark, Buster, Jayson, Andrew and the Managers for the effort they have put into their coaching and getting teams onto the paddock. It was difficult with players going to other clubs, going overseas or retiring. However, we have some exciting young players in the Club and we will continue to improve in the coming years.

The new fencing was a big improvement to the ground and new grants have been achieved so the remainder of the fencing should be carried out soon.

My appreciation to the Coaches and parents of the juniors who through hard work and dedication provide pleasure for the young players. This continues to make our Club stronger and maintain our position as one of the Premier Clubs in the Illawarra. Congratulations also go to the Under 15's for bringing the Grand Final Trophy to Ocean Park.

It was most pleasing to see our Club win the "Blood Cup" in such dominant style, which was achieved through the outstanding effort of Kieran Smith.

Finally a big thank you to the Canteen ladies who are a big part of the success of our Club.

Also to the Thursday Crew, who despite doing a lot of talking, laughing and coffee drinking still manage to do an incredible amount of repairs and maintenance to the field and clubhouse. To all Club members, thank you, stay healthy and look forward to the next Rugby season.

Yours in Rugby

Ken Phillis

Treasurers Report

2015 has been a difficult year both on and off the field for our club. Every year we face the challenge of raising enough money to put at least 3 seniors sides on the field and keep our great facilities at Ocean Park in top condition so that our players and supporters can get maximum benefit and enjoyment from these. Our club is no different from any other organisation in having to deal with continually rising costs and 2015 was no different in this respect.

Added to these rising costs we faced another major financial challenge when our annual Sportsman's Luncheon could not get enough support to allow us to hold the function this year. This function has been a major revenue raiser for many years, which has over the last few years added at least \$10,000 + into the clubs funds. Not having this has really impacted our overall revenues for the year. The other significant disappointment from my perspective as Treasurer was the constant battle to get players fees during the year. This is an annual challenge but it seemed to be worse this year. I think changes imposed by the ARU certainly did not help in this area as well.

We try to keep player fees to an absolute minimum while providing as many resources and facilities as we can, given how competitive it is in attracting players so it would be nice if this was appreciated a little more with players paying these fees early in the season and in full.

On a more positive note a big thank you to our major sponsors this year in Access Law Group, Bellambi Bowling Club and Bellambi Hotel. We really appreciate the ongoing support these organisations give us, so thank you to Tom at Access, Brendon at Bellambi Hotel and Garry at Bellambi Bowling Club for your continued support. With the ongoing revenues we receive from Step Into Life and Probus these give us that certainty around our base revenues that is essential for any organisation.

We are always on the lookout for more sponsors however, so any lead on potential sponsorships would be greatly appreciated.

The financial highlights for the year were again the great results we achieved through the revenue raised by hosting the Illawarra dog show in February and hosting of the IDRU Finals games which were very profitable for our club. A big thank you to everyone that helped out with the Dog Show and IDRU Finals also as these were successful only due to the hard work of many helpers.

Another highlight financially was receiving a further State Government Grant to assist with the completion of our fence project. This grant was matched on a \$ for \$ basis by the council and will therefore allow us to complete our fence on the Southern and Western sides of the ground. Thanks must go to Steve Saywell here for all his work in obtaining these grants and keeping council honest with their commitment on this project. A great effort, thanks Steve. Thanks also to Vaughan Judd for his contribution here of getting all the post holes dug for

us. This is one of the major aspects of the work and this support really helps us.

This club is really blessed with a wonderful Canteen and Ground crew. Again this year our canteen revenue was a mainstay for us. Marilyn and the canteen crew as well as the BBQ team do an excellent job every home game and the facilities and variety offered are I believe, one of the major reasons we continually are successful in winning our tenders for Finals games each year. Thank you to Marilyn and everyone involved here, there are just too many to mention which is a great position to be in. Our Club really is one of the lucky ones in respect of the willing workers who continually contribute their free time in helping make Shamrocks a great place, with great facilities.

Another great effort from Lorrell with the hall hire and the work she has put in to make our Club attractive to those looking for a function venue should be applauded. We consistently get very positive feedback from people who have hired our facility which is a reflection of the hard work put into make these events run well for our Clients.

Again a big thank you to our Assistant Treasurer Terry Nutt who always does the hard work involved in the treasurer's role. With me commuting to Sydney for work every day I doubt I could fulfil the role adequately without Terry's ongoing support. This allows me to be more a Financial Manager for the club rather than Treasurer as Terry covers most of the day to day responsibilities associated with this role. Thanks Nutty.

I will cover off in more detail the various expense related items and revenue streams and their trends on a year on year comparison at our AGM as there is not the space to do this in the context of this report.

In summary I believe the Club has some significant financial challenges ahead. We will really need to review all aspects of the Club (both in seniors and juniors), to ensure we have a sustainable and positive future ahead. There is a lot of work to do, but I am sure we will be up to these challenges. I am looking forward to continuing with my contribution to the club in 2016 and beyond, and having a lot of fun doing it along the way!!

Mark Dandridge
Honorary Treasurer.

Woonona Shamrocks Rugby Club Inc

Notes to the Accounts

Accounting Policy

The attached Income and Expenditure Statement has been prepared on a cash basis. Income is recorded only when received and expenses are recorded only when paid. These accounting policies are consistent with that of previous years.

Outstanding Liabilities

At the time of preparing this report all accounts received by me have been paid.

Assets

All payments for capital assets are expensed in the year in which the amounts are paid

WOONONA SHAMROCKS RUGBY CLUB INC INDEPENDENT AUDIT REPORT TO THE MEMBERS

I have audited the attached statement of income and expenditure of the Woonona Shamrocks Rugby Club Inc for the period 1 October 2014 to 30 September 2015. The Committee is responsible for the preparation and presentation of the statement and the information contained therein. I have conducted an independent audit of this statement in order to express an opinion on the statement to the members.

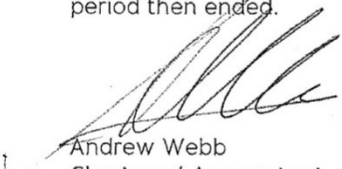

My audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the statement is free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the statement. These procedures have been undertaken to form an opinion as to whether or not, in all material respects, the statement is presented fairly in accordance with applicable Australian Accounting Standards so as to present a view of the Club that is consistent with my understanding of its financial position and cash flows.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

It is not practicable for the club to establish accounting control over all sources of income prior to receipt by the club and accordingly it is not possible for my audit examination to include audit procedures to extend beyond the amounts of income recorded by the club.

In, my opinion, subject to the limitations imposed by the foregoing, the attached statement of income and expenditure presents fairly in accordance with the applicable Accounting Standards the financial position of the Woonona Shamrocks Rugby Club Inc as at 30 September 2015, and the cash flows for the period then ended.

Canteen Report

Another busy season for the Canteen Crew with the club hosting 9 home games plus the IDRU Final. Before the footy season kicked off we hosted the Wollongong Kennel Club annual dog show. We were blessed with a fine weekend after the 3 previous years saw miserable weather with heavy rains and winds. Consequently our takings this year were up and an enjoyable weekend washad by all who attended and participated in this event.

Unfortunately, as with last year, we failed to host any trial games prior to the season kick off. It may not seem important but home trial games give the club an opportunity to encourage patrons to the club and are a much needed boost to our club income. Our first club event was the first home game and Centurion Night on 18th April. During the year we featured a Ladies Day when Uni visited and a Family Day when we played Campbelltown at home. Both events proved popular with many favourable comments from our own patrons and our visitors. Our magician, Tim, was a huge success with the kids at our Family Day as he kept them entertained for over an hour in the club hall.

The "BIG Morning Tea", for the Cancer Council, was held in late May and \$2,010 was raised. This year's contribution boosted our total funds raised figure to over \$15,500 in the years that we have hosted this event. Well done to all those who donated their time and goods and to all who came along and supported this most worthwhile cause.

A "Race Day" fundraiser was held on 8th August and thanks to Julie, Dina, Ben and Barb who volunteered their services behind the Bar and BBQ for the afternoon.

Finding a winner for our Badge Draw proved elusive at our home games this year. It was not claimed until the final game where it had Jackpotted to \$900. The night was a great success with many staying back for the draw and some of the Shamrock Ladies providing slow cooker meals for all - well done girls.

The IDU Final was held on 12th September where all clubs who attended commented favourably on the presentation of our club facilities and playing ground. This is a very strenuous day for our club to organise and manage as it is a very complex event. This year the weather gods blessed us with a brilliant Spring Day and thanks to all our great volunteers.

Our Canteen and BBQ Crew this season was comprised of Julie Heycott, Anne and Ken Phillis, Terry and Cheryl Nutt, Lorrell and Mark Dandridge, Pauline and Grahame Tresidder, Barb Hemingway and Ben Turner, Janet and Mick Traynor, Dina Johnston, Barry Cavanough, Stephen Saywell, Mick Walsh, Allan Potter and Rowan Allnutt. Thanks also to Janet and Dina for completing their RSA and becoming fully credentialed "hands on" volunteers. Special thanks to Steve for all his running about, getting stock for the club and Terry for his diligence in taking on the much appreciate job of "The Iceman" - all visitors and club patrons have benefitted from the efforts of these dedicated band of club members.

Marilyn Saywell

Match Day Programme

The Match Day Programme continued this season thanks to Garry Weston who managed to prepare it for each home game, along with his many other duties taken on this year as our club President. I am sure that if anyone is willing to take this on next year that Garry would be more than willing to stand aside in favour of that volunteer.

Thanks also to Lauren from "Kiss the Sky" (one of the best Graphic Design companies going around) and Creative Media & Colour Print Solutions at Bulli for all their help with printing for the club - Match Day Programme, tickets, etc.

To all our loyal programme sponsors - many thanks:

- Mountain View Meats
- Black Diamond Bakery - best pies going around!
- Charter Chickens
- Woonona Fruit Basket
- Royal Thai Curry - best Thai in Woonona
- Reay's Catering
- So Chic - Hair Stylist
- Ruby's on Bulli Beach
- Woonona Eye Care
- Woonona Newsagency
- Woonona Smash Repairs

A special mention to Andrew Phillips from Leisure Coast Auto Electrics and Mechanical who has supported our Match Day Programme from the start and decided this year to increase his exposure at the club by stepping up to become one of our valued Ground Signage sponsors. Many thanks for your contribution and extremely cooperative attitude in looking after all your Shamrock customers.

Ground Signage sponsors feature in the Match Day Programme as part of their sponsorship package and they include:

- The Biggis Wash and Dry Laundromat
- Woonona Petfood and Produce
- Austbrokers - City State
- Woonona Tyres and Mechanical
- Hy Qual Mowers
- Pioneer Electrical Supplies
- Andrew Webb - Business and Private Accountancy and Tax services
- Bulli Pharmacy
- McPhail Real Estate
- Pioneer Beach Storage and Rentals
- Leisure Coast Auto Electrics and Mechanical
- IMB

All our sponsors deserve our support and appreciation. Please be sure to consider patronising them and mention you are a Shamrock when you do so.

Marilyn Saywell

Ground Coordinator Report

Again there were no fights, injuries, send offs or loss of life during and after 2015, but as in every year, the season does not stop, we will continue every Thursday until season 2016 starts and then it starts all over again.

On behalf of all the Thursday crew we would like to thank all coaches and their staff, players from all grades, senior and juniors, for their support during the season. The ground has held up the best I have seen in the last 15 years, so well done to one and all.

To the Committee, for not knocking back anything I have asked for, much appreciated by all the Thursday crew.

The following people make up the Thursday mob who make my job a lot easier: Ken and Anne Phillis, Marilyn and Steve Saywell, Mick Traynor, Mick Walsh, Garth Doyle, Peter Towers, Barry Johnston, Rowan Allnutt, Terry Nutt, Allan Potter, Terry Chessor, Brian Bradley, Graham Tresidder and Graham MacDonald. Many thanks to Helen Chessor for her cooking. Well done all!

As this is an annual report and the cost of looking after the ground is well over \$10,000, plus maintenance to the Club house and lighting on the field.

Many thanks to Max Hobbs and Tony Crew for their support in suppling fuel for the mowers.

Hoping all new elected members of the Committee and other positions in the Club have successful input, do the job you have been elected for and do it well. It makes all other positions easier.

All's well that ends well, have a happy and healthy off season and a Merry Christmas to all.

Go the Rocks!

Barry Cavanough

Hall and Ground Hire Report

Our first function for the year, held in January was a birthday party for twin sisters. This celebration occurred during the day and the weather was perfect. Most of the party was outside on the lawn allowing kids to play games whilst families sat on rugs listening to the soloist who played. This family also made an enquiry to hold a child's birthday party later in the year, unfortunately both dates clashed with our home games.

February was a busy time with Probus (our ongoing hire) having a small function to celebrate 35 years of the Probus club. On Valentine's Day there was an engagement party with the hosts and most of their guests coming from Campbelltown. They decided on a tab on the bar which raised some money for the club. February also saw our own Kieran and Claire Smith host a 21st Birthday Party for their youngest daughter.

In March Ryan Park held his Campaign Launch again with an open bar managed by volunteers Marilyn and Steve Saywell. We were able to show off our facilities to other

politicians and guests which they highly commended, acknowledging the hard work done by all our volunteers.

We also held a 50th birthday crazy dress up party which was a lot of fun. Sean Barratt also held a foundation coaching and referee's course at the club.

In June a surprise 80th birthday party saw quite a few guests coming from all parts of NSW. Once again there was a tab on the bar.

Later on this year there are still two functions booked in.

I would like to thank the following individuals for helping me manage these functions throughout the year, Toby Allnutt, Marilyn Saywell, the final 15 crew and especially Julie Heycott who goes above and beyond to help me make each of these functions memorable for the hosts.

Lorrell Dandridge
Hall Hire Coordinator

First Grade Report

At face value our season doesn't look overly successful, but there is still much to celebrate. Our results didn't tally up to a lot of wins but wins are not the only outcome to celebrate in a club atmosphere.

A 60 nil flogging of Tech goes down well and following that up two weeks later with a convincing win over Camden (who we all know are a tough game in any season) is a good result. It was unfortunate to see games against Campbelltown (who were unbeaten at that stage) and Camden slip away on the bell. These games were strong performances and a win in either or both may have triggered a different outcome for the season.

Like last year we had a large number of young Rocks debut in First Grade. Some of these came from the Colts team of 2014. Hopefully this spurs them on to compete for a spot in the next few years where their efforts may achieve better results.

We didn't have much size again this year which makes it difficult to match it with the big boys however, what we lacked in size we made up for with spirit and this team showed themselves as one that played for each other. It is pleasing to see the spirit that our club plays with as shown by our home ground pride that is not matched by many clubs.

Hopefully the finances for some of the 2015 Big Hitter teams will dry up and we see more of a level playing field in 2016.

We look forward to the announcement of the Illawarra squad for next season as we feel there may be a few Shamrock names in the list. It would be good to see Chris Smith, Ant, Rhys and Stormy in the squad when it is announced.

We celebrated some awards at the Presentation night. These were:

- Rhys Peters - Best and Fairest Player. His performance this season was outstanding and it is great to see him getting stronger and stronger each year. Rhys's try scoring ability is an obvious asset.

- Iszac Lunney - Best Forward. Iszac's effectiveness at the breakdown is fantastic. Unfortunately the refs aren't as precise as Iszac at times. He scored two of the best breakaway tries you will see in rugby which were both fantastic to watch.
- Tristram Storm - Best Back. Stormy brings great composure to the team as co-captain. We have enjoyed watching Stormy play at 10 in the last two seasons.

Two first grade players also won the club awards. These were:

- Robbie Cosso - Most Improved. Robbie debuted in First grade this year and has improved in bounds. He commits to the structures and shows great commitment to his task. He could often be seen as the lead in a kick chase situation.
- Kurt Davis -Most Consistent. Kurt performed solidly week in, week out mostly at No. 8. Kurt provides a lot of cover defence that mostly goes un-noticed and adds flare to the attack at times when it looks like nothing is on.

We had players out of position for the majority of the season. This is a sign of the limited numbers that the club had. Chris Smith and Ant (who are both hookers) played at Prop and Halfback for the entire season. This displays a great club attitude and we appreciated it.

Jordie and Xavier played in every First Grade game of the season, a feat that is not often achieved in the modern game. Congratulations to them both.

Recruitment seems to have been effective in the off season and we wish the 2016 teams all the best in their outcomes. Hopefully effort will convert to results.

We would like to thank the whole club for the support we have felt over the past number of years while involved as coaches. In the future we both look forward to watching Shamrock successes from behind the fence.

Brian Hutton and Marc Joy.

Second Grade Report

Despite the 2015 rugby season being difficult for second grade it built great club spirit and unity. Continually having to play third grade with at times half to three quarters of the 2nd grade team made it extremely hard to be able to play quality opposition whilst fatigued, with the results evident on the scoreboard. This was a conscious decision by coaches and players to ensure the club fielded three teams each week and a consequence we fully understood.

There were many games during the season where a couple of decisions made on the field by players may have resulted in further wins however, the commitment and dedication to each other could not be faulted.

It was pleasing to see a number of quality young players and leaders identified within the team, with several being selected for further honor in playing 1st grade.

Congratulations to the award winners.

All the best for 2016

Jayson Joerdens and Ray Wylie

Third Grade Report

Coaching third grade was not something I had planned to do at the beginning of the year. Fate intervened however, and I took on the role just prior to the first game of the season. The first game versus Vincentia (the eventual undefeated premiers) was a tough gig with a very cobbled together team, an alarmingly high average age and virtually no reserves. After a resounding defeat, I felt some recruiting was required.

Credit for much of this recruiting effort should go to Wayne De Jonge who managed to rope in a number of 'Cross fitters', many of whom were new to our club. During the following games, our reserves bench swelled enormously and our primary challenge was making sure every player was able to get a run. During this 'purple patch' early in the season our team boasted some impressive player attributes including players born in five separate decades, former representative players, ex first grade players, centurions, players joining us from other clubs making their debut as Shamrocks and those playing their first ever game of rugby. The highlight for me though was the inclusion of four separate father and son combinations in one team during the home game versus University.

After four consecutive wins we hit a couple of tough games against Vikings and Avondale who fielded very strong third grade sides. At the end of the first round we were still well placed on the table and eyeing a shot at the semi-finals.

The second round of the competition however was very different to the first. As injuries and unavailability crept in throughout the club our playing ranks dwindled. I am very thankful to the other coaches who assisted in making sure we were able to field a side each week usually by strapping on the boots themselves.

Whilst we managed a couple of wins during the second half of the season we were not the force we were earlier in the season. The average age of some of the teams we put together had to be close to forty on occasion. Nonetheless, I'm confident those who participated had a good time, made some new friends and enjoyed the competition.

We had some very talented players run on for third grade this year and I had a long list of players to choose from when deciding the presentation night awards. My decision in the end was based on those players who provided the most consistent effort throughout the whole season. Each of these three recipients demonstrated great determination and commitment throughout the year and were very worthy winners (Smitty was a particularly popular choice and his award nearly bought the house down on presentation night!).

I'm intending to return as a player next season, and wish next year's third grade coach all the best.

Andrew Webb

Junior Report

I would like to congratulate all Players, Coaches, Officials and Supporters for the manner in which we conducted ourselves on and off the field. Participation in Rugby requires respect for the opposition Players, Supporters and Officials.

Well done to all our Coaches, Managers and water runners who helped get our teams on the field and ready to compete. This season had its ups and downs but culminated in semi-final appearances for our Under 10's and 13's and a Grand Final win to the Under 15s.

Our Under 7, 8, and 9s have kicked off their rugby careers showing true Club spirit by backing up for the following age group when required and acquitting themselves admirably. The Under 10s started off low in numbers but with recruiting by the boys and their parents ended up with a very good team which was reflected in their making the semi-finals. The Under 11s after a disastrous season last year stuck with it and strung some wins together, so impressive were they that players that had left returned to the fold. The Under 13s had a change of coaching staff this year with Jordy and Stormy, two of our current Grade players who took over and continuing on Jayson's good work. The boys seemed to revel in the fact that most of them were bigger than Jordy. This rapport with the coaches had them featuring in the semi-finals to narrowly miss out on going further. The Under 15s continued under the guidance of Kieran and had what can only be described as a horror stretch of injuries. 4 broken arms/hands, 1 torn hamstring (season ending), 1 concussion (season ending) and 1 rib cartilage. These only seemed to galvanise the side together to produce one of the best games of rugby I have seen to defeat Uni in the Grand Final. The Under 17s team and the 17s comp struggled to get off the ground. We had 17 boys registered to play but Steve and Graham often outnumbered the players at training and game day was a lottery of who would turn up for you and the opposition and what format we were going to play. Well done to all involved for sticking around under such circumstances.

Many of our players represented Illawarra at country and state championships this year. From this we had players selected in Country and NSW rep levels. Another group of players that must be mentioned are those who have the extra commitment of doing their Refereeing courses and help out on Home game days. Aaron and Kane Rodwell, Harry Devine, Nick Cracknell, Sam Ridgway, Pat and Alec Rochaix, Aiden Joerdens and Brayden West. Great work to everyone who played, coached, ran water, or cheered themselves hoarse over the course of the season.

All Clubs need the people who work alongside the players and thanks must be given to our secretary Megan who has stepped aside from the secretary's roll in 2016. Thanks my darling for all your work. Registrar Pete, Treasurer Sandra, and our workaholic canteen lady Cath. Cath is pulling the pin on the canteen at the end of this year after doing it for 4 years, we thank her for her tireless efforts and total commitment to all things Shamrock.

With these people retiring from their rolls we have had several new people take up positions on the Junior committee and they are:

Cate Woods ---Canteen

Scott Morgan ---secretary

Dylan Young ---Vice President

They have big boots to fill and will bring new ideas to keep the Juniors going from strength to strength.

Once again thank you everyone for your great work and a fun season.
