President's Report 2016

Dear Members,

I would like to take this opportunity to thank you for your contribution in 2016. Our coaches and players from junior to senior ranks have worked hard all year to do your Club proud and the final results were impressive right across the board.

Throughout the season your Club amalgamated its procedures and bank accounts with our junior ranks. The outcomes achieved by this move have resulted in a united Club with common goals and a clearer vision for its future.

In closing I would like to thank our Sponsors in particular our new sponsors and those longer term for their continued and valued involvement within our Club, also to the efforts of the Coaching staff, Committee and Volunteers alike. It is the combined efforts of all the stakeholders involved within Shamrocks that place us in great stead as a premier Rugby Club in the Illawarra district.

Sincerely,

Garry Weston
Club President
Woonona Shamrocks Rugby Club

Treasurer's Report

This year was a big year for us both on and off the field. With success on the field in both the Seniors and Juniors, which was very pleasing to see and all the coaches, managers and players should be congratulated for their efforts this year. It was certainly very enjoyable watching the Rocks play throughout the 2016 season.

As mentioned in my report last year each year brings financial challenges for us to run the club and ensure we provide the best possible facilities, services and amenities for our players, coaching staff, members and supporters, while also providing value for money for our Sponsors.

This was the second year that we have not held our Sportsman's Luncheon but it is pleasing to report that this was to a large extent offset this year by hosting a Cross-Fit tournament at Ocean Park which was a huge success and helped add to the our revenue, which had been lost through not holding the Sportsman's Luncheon. Hopefully we will continue to find opportunities like this to keep our revenues at the levels we need to ensure we can continue to be successful and sustainable in the future.

Another pleasing aspect this year was the collective efforts and results around player fee payments. There was a huge improvement in this when compared to last year and reflected I think a much better attitude and club culture. So thank you to everyone involved here.

We do try to keep these player costs to a minimum but really need whatever fee we set paid as quickly as possible in the season to help our cash flows and ensure we can pay our bills when they are due.

Our Sponsors are a very important part of our club as without them we could not operate. I would like to express a big thank you to our major sponsors this year in Access Law Group, Andrew Webb Family & Business Accounting, Bellambi Bowling Club, Bellambi Hotel and Redlam. We really appreciate the ongoing support these organisations give us, so thank you to Tom at Access Law Group, Webbie, Brendon at Bellambi Hotel, Garry at Bellambi Bowling Club and Rick Jones from Redlam (who became involved this year), for your support and hopefully this will continue for many years to come. With the ongoing revenues we receive from our Signage Sponsors, Step Into Life and Probus these give us that certainty around our base revenues that is essential for any organisation. Although we are lucky to have this loyal group of Sponsors we would welcome anyone who is interested in becoming a Sponsor of our great club. We can certainly offer a lot to any potential Sponsor as we are a very prominent part of the Illawarra sporting community, particularly in the Northern Suburbs

The major financial highlights for the year (apart from the previously mentioned Cross-Fit tournament), were again the great results we achieved through the revenue raised by hosting the Illawarra Dog Show in February and hosting of the IDRU Finals games which were well run events for our club. A big thank you to everyone that helped out with the Dog Show and IDRU Finals also as these were successful only due to the hard work of many helpers.

Again this year our canteen revenue was a mainstay for us. Without doubt we are the standout club in the Illawarra in respect of our Canteen and BBQ facilities and continue to offer quality value for money food and refreshments on game day. We are constantly complimented on this. Marilyn and the canteen crew as well as the BBQ team do an excellent job every home game. Thank you to Marilyn and everyone involved here, you all do us proud every home game. Lorrell has again this year done a great job with the hall hire and we have seen the results of her efforts reflected in the increased revenues in this area of our Club's Operations. This year she received a lot of support from Julie Heycott as well so thanks to Julie for all your efforts here.

This year saw us begin to implement the financial recommendations of our Club Auditor - Andrew Webb as passed at last year's AGM. Our most significant accomplishment towards these was the consolidation of our bank accounts to one Institution the IMB, under the control of the designated Club Treasurer. Previously these were held under 2 separate controlling entities being Seniors and Juniors which was not in accordance with the constitution nor best practice financial management processes for our club. While there is still some way to go in the continuing improvement of our financial management practices this was a huge step in the right direction.

My thanks to our Assistant Treasurer Terry Nutt who does most of the hard work involved and is very thorough. Terry is across most aspects of our Club's operations and really is a great club member, so thanks Terry for another great year. I would also like to thank Sandra Fenukitau our Juniors Assistant Treasurer for her support with all things in respect of the Juniors accounts. In some aspects it was difficult this year with the consolidation of the accounts but Sandra was always helpful and supportive and I really appreciated her involvement and input here.

I will cover off in more detail the various expense related items and revenue streams and their trends in the attached financial statements on a year on year comparison at our AGM, as there is not the space to do this in the context of this report.

So in summary 2016 has been an enjoyable and successful year for us in many ways. We still have some significant financial challenges ahead though, so there is still a lot of hard work to do. I look forward to facing these challenges with your support and to an even more successful and enjoyable year in 2017.

Honorary Treasurer.

Dear Mark,

RE: 2016 FINANCIAL STATEMENTS AND AUDIT REPORT
WOONONA SHAMROCKS RUGBY CLUB (the Club)

Please find enclosed a copy of the Club's 2016 Financial Statements and Audit report, prepared in accordance with the information provided by yourself and the assistant treasurer.

I also take this opportunity to make the following comments in relation to the 2016 Financial Statements:

- For most sporting clubs, success on the field usually translates to financial success off the field. The 2016 financial results demonstrate this relationship quite clearly. Player registration, canteen sales, sponsorship etc. all improved measurably from the previous year.
- These additional finances were largely reinvested into better equipment and facilities including a new scoreboard, perimeter fence, playing equipment etc. This capital expenditure will benefit the club for many years and, I believe, is a prudent way for clubs to manage excess funds for the benefit of their members.
- 2016 saw the amalgamation of funds previously held by the juniors in separate bank accounts not controlled by the Treasurer. The current legal structure of the club is such that there is a single executive and a single Treasurer. The Treasurer has specific responsibility for the club's funds as a whole, and is accountable to the club's members for the club's funds, as a whole. The previous separation of funds between juniors and seniors did not align with the club's structure. This amalgamation therefore was, I believe, a sound move by the club's executive and should provide for improved risk management and decision making ability going forward.
- Overall, I believe that the club is in a strong financial position, with a healthy balance of funds on hand. This healthy position is attributed to the strong stewardship of the current and previous executive committees.

If you, or any other committee member, should wish to discuss any aspect of this report, please do not hesitate to contact me.

Yours sincerely

INDEPENDENT AUDIT REPORT TO THE MEMBERS

I have audited the attached statement of income and expenditure of the Woonona Shamrocks Rugby Club Inc for the period 1 October 2015 to 30 September 2016. The Committee is responsible for the preparation and presentation of the statement and the information contained therein. I have conducted an independent audit of this statement in order to express an opinion on the statement to the members.

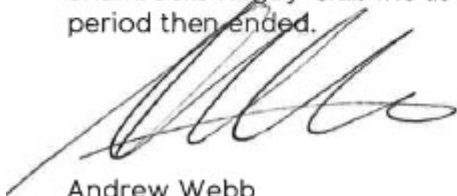

My audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the statement is free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the statement. These procedures have been undertaken to form an opinion as to whether or not, in all material respects, the statement is presented fairly in accordance with applicable Australian Accounting Standards so as to present a view of the Club that is consistent with my understanding of its financial position and cash flows.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

It is not practicable for the club to establish accounting control over all sources of income prior to receipt by the club and accordingly it is not possible for my audit examination to include audit procedures to extend beyond the amounts of income recorded by the club.

In, my opinion, subject to the limitations imposed by the foregoing, the attached statement of income and expenditure presents fairly in accordance with the applicable Accounting Standards the financial position of the Woonona Shamrocks Rugby Club Inc as at 30 September 2016, and the cash flows for the period then ended.

Coach's Report

Planning for the 2016 season started for the coaching group in mid 2015. Identifying the playing groups strength and weaknesses, designing an attack pattern / defence strategy, retaining players, recruiting players and physically preparing the playing group were all completed well before a whistle was blown. The on field success this year can be attributed mainly to the willingness of the playing group to work hard and their acceptance to change. The coaching group also acknowledge the unconditional support from the committee. Every coaching aide and resource requested by the coaching group was made available.

Personally I would like to acknowledge and thank the group of people that orchestrated the success this year. Craig Duncan, Ray Wylie, Rod Mercer, Chris Doyle, Marc and Sue Joy. Your dedication and expertise are appreciated so very much. I would like to make special mention and express my gratitude to Mark Stone and Richie Aylett for going above and beyond expectations. Nothing was too hard for you. I can honestly say the club would not have had the same success without the work done by Pebs and Richie this year. Thank you both.

Planning for 2017 is well underway. We welcome Grahame Tresidder and Adam Potter to the coaching team in 2017. I am pleased to inform that retainment of the playing group has gone very well and recruitment of new players is looking especially promising. I look forward with anticipation for another exciting and successful season in 2017.

Ron Davis

Club Captain's Report

It was an honour to serve as Club Captain for season 2016. Minor Premiers in 1st, 2nd and 3rd grade, IDRUG Club Champions and Grand Finalists for 1st and 2nd Grade and so close to the biggest of prizes made it a season to remember.

There are not many clubs that have achieved such success so quickly but Ron and the coaching staff have galvanized the club this year and credit must be given to them. Starting in November was a masterstroke by the coaches and it certainly paid dividend in the fitness levels and execution of the game plan. The organisation, detail and focus was clear from day one with everyone participating both on and off the field.

My job is the conduit between players/coaches and the committee and it has to be noted the committee has been highly supportive of the players and coaching staff for season 2016. There is no doubt this made my job easier and assisted in the success that we had for this season.

I'd like to thank Ant Allport and Marc Joy for their assistance throughout the year as players rep and social organiser respectively, both contributed to some of the social functions and organisation of the playing group.

The 2017 season is underway already and it will be a more difficult prospect next year with every club looking to knock the club champions off but I've no doubt with the structure in place at committee, coaching and player level we will have another successful year.

Canteen Report

The Canteen's season kicked off early in 201 with the Dog Show on the 9th and 10th January. A record number of entries and fine weather saw us hosting our most successful show to date. A very busy weekend for all the club volunteers involved in helping out at the club for these two days.

The Petersham Trial on 12th March gave us an idea of how busy this season would be. Nine home games, the IDRU Final and the Grand Final Night at the club were all very well supported and the canteen sales reflected this. The season wound up on 17th September with the inaugural Fittest on the Field, an event for Crossfit enthusiasts. This was another top day at Ocean Park.

Once again our loyal band of volunteers need a big thankyou for turning up to man the canteen and BBQ at all these events.

Canteen Girls:

Anne Phillis, Lorrell Dandridge, Pauline Tresidder, Julie Heycott, Dina Johnston, Barbara Hemmingway, Diana McDonald, Janet Traynor and Cheryl Nutt.

BBQ Boys:

Terry Nutt, Mark Dandridge, Barry Cavanough, Mick Walsh, Steve Saywell, Graham Tresidder, Alana Potter and Rowan Allnutt.

Corona Bar:

Ken Phillis, Graham McDonald and Mick Traynor

A very special thanks to Anne, Kenny Nutty and Dando for always getting there early on game day to help set up the Canteen and BBQ, Ken for running the Thursday Night Bar, and my adorable husband Stephen for collecting the pies and bread on game day and all our cases of amber refreshments that are much needed for rehydration therapy during and after a tough game.

Thanks to all our members and supporters for such a good 2016 season on and off the field. Looking forward to an even better 2017.

Hall Hire Report

This year we held five weddings and a 90th birthday party. We also had our usual bookings which, are Probus who have the hall on the first and second Tuesdays of the month. Step Into Life who has the ground every week. With Holy Spirit once again having there August Leadership retreat for senior students.

The ground along the southern end of the hall has hosted two marquee wedding receptions, which were both lovely events, with the weather staying good for both of the receptions. January saw the two day dog show happen again. February saw another wedding take place with this couple who booked the hall staying on to become part of the "Shamrock Family". With Graham turning up each Thursday to assist the "Thursday Crew" and also help on the

BBQ each game day, while Diana has become part of the "Canteen Ladies".

March saw a wedding with a difference, with the majority of guests coming out from Ireland, who were very impressed with the location of our ground and the facilities we have. In May the "Shamrock Ladies" and friends hosted the Biggest Morning Tea, which once again was a financial success for them, as well as a lot of fun for the attendees.

In November we have had two functions. One being a surprise 90th birthday party. Which by all accounts was a great day for all the family. Also in November there was a surprise wedding held here, the guests thought they were going to an engagement party.

A big thank you Marilyn Saywell, and the Thursday Crew for their assistance with moving tables and chairs in and out of the hall for each of these functions. This year I have had help from Vaughan Judd and some new comers Jodie Burton, Kalem Smith and Josh Ah Tong. Thank you, you all did a great job for me. A special thank you goes to Julie Heycott, who manages the function for me and sees that everything runs smoothly.

Lorrell Dandridge

Ground Coordinator Report

Once again another season finishes and another starts. Congratulations to all Senior and Junior players, coaches, trainers and managers for their success in the 2016 season. Thankyou all for your cooperation during the year and the care that you have taken with the field. It is one of the better fields in the Illawarra and I hope you will continue to support the guys and girls of the Thursday Crew in the coming seasons.

In the past couple of weeks the field and surrounds have been verter-drained, 110 tonne of topsoil spread and levelled, 20 bags of fertilizer have been spread and this with some good rain should ensure that the field will be in top order for 2017. During the year we have completed the Security Fence around the ground, a new mower was acquired and a new electronic scoreboard was also acquired through the help of the Volunteers Grants scheme. The new scoreboard is a beauty making it easy for all to see what is going on and it was mounted and wired up by our volunteer group.

I would like to pass on a big thankyou to our Final Fifteen crew. Not one person has left or died over the past season so we are at full strength going into next year. The crew has not stopped working since the Grand Final and we continue our efforts in this 52 week a year effort of continuous service to the club. The crew comprises of Ken and Anne Phillis, Steve and Marilyn Saywell, Peter McAndrew, Mick Walsh, Garth Doyle, Peter Towers, Barry Johnston, Rowan Allnutt, Terry Nutt, Alan Potter, Mick Traynor, Terry Chessor, Graham McDonald, Grahame Tresidder and yours truly. Also a very big thankyou to Helen Chessor. She bakes a variety of different cakes for us each week and these are much appreciated. No wonder husband Terry maintains a strong bond with Helen as she is definitely a "keeper".

Max Hobbs and Tony Crew are never in the 'limelight' but their financial support throughout the year helps us buy the fuel we need for our equipment. This enables us to keep all aspects of the grounds maintained to the high standards that you have all come to expect

and appreciate. If anyone else is interested in helping out with a donation it will be most welcome and appreciated.

To all members of the best Rugby Club in the district thankyou for your support over the years and I wish you all well in the coming festive season and another successful rugby season in 2017.

Barry Cavanough

Match Day Programme

We continued with our Match day Programme in 2016 thanks to the efforts of Stephen Saywell, supplying content and stories with Garry Weston looking after all the printing. This is a very time consuming exercise for every home game but thanks to these two hard working members we were able to honour our commitment to our sponsors who support our club by advertising with us.

Our Match Day Programme sponsors in 2016 were:

- Mountain View Meats
- Black Diamond Bakery - best pies going around!
- Charter Chickens
- Royal Thai Curry - best Thai in Woonona
- Reay's Catering
- So Chic - Hair Stylist
- Ruby's on Bulli Beach
- Woonona Eye Care
- PWS Financial Solutions
- Woonona Florist
- Woonona Smash Repairs

Kisane De Jong deserves special mention and a very big thankyou for the photos she took at all the games this season. This made our programme all the more interesting as she captured many great Shamrock moments from all grades. The contribution of Lauren Woodall from "Kiss the Sky" (creative media) and Brad Smith from "Colour Print Solutions" in preparing the cover for our Match Day Programme is very much appreciated.

Junior Report

The 2016 season was a great success even before the semi-finals began. We had an influx of players coming from other sports to give Rugby a go. This bolstered our registered playing numbers from 100 to 143 with the Under 7, 10, 11, and 12 being the beneficiaries of these players. This is a great help with the teams moving through the pathways rugby starting at seven aside in the U7 through to the 15 aside game at U12. Great work by all who encouraged these new players to come along. Congratulations to all our players' coaches, managers, and supporters everyone conducted themselves in the appropriate manner on and off the field, home and away.

The U7 had almost enough for 2 teams giving the coaches a pleasing headache some weeks with everyone available. It was good to see some of the younger ones starting to find their way around the field and contributing to the team. Our older players backing up for the U8s and doing very well. The U8, and 9s trained all season as a squad with all the 8s needed to help out each week for the 9s. This was as bad later in the season as we had some extras come along helping out with numbers.

Under 10's

This was one of the teams to benefit greatly from our influx of new players allowing the coaches to have the luxury of a full reserves bench at their disposal, which at this age is great as they move onto the full field with 10m taken off the width. The team did very well during the season only missing out on the semi-finals by 1 point.

Best forward	Finn Kiefer
Best back	Kyan Pickthall
Most Improved	Thom Davis
Coaches Award	Nicholas Meznaric
Best and Fairest	Evan Thomas

Under 11's

This was the team that had the greatest increase in numbers. Playing a 12 aside game they ended up with 24 registered players and the coaches needed a roster for game day to ensure everyone got onto the field for their maximum time. Great effort from the team and the coaches to get through the regular season without a loss, only to suffer their first defeat on grand final day.

Best forward	Jai Duncan
Best back	Blake Hasler
Most Improved	Charlie Masters
Coaches Award	Jack Pollard
Best and Fairest	Alec Rochaix

Under 12's

They had great numbers and played with great skill and passion. They had the unfortunate trait of lack of size. We did have some bigger boys but some of the oppositions had many more. We were competitive in many games until the bigger teams wore them down.

Best Forward	Eamonn Dunning
Best Back	Jack Duffy
Most Improved	Xavier McMahon Sosefo
Coaches Award	Riley Vezgoff
Rookie of the year	Hamilton Tenkate
Best & Fairest	Thomas Ah Tong

Second XV

This team is a combination of the 14's and 15's age groups had two very definite divisions in the competition with some teams being totally 15s. This division in ability won't be as noticeable as we move further down the track. Our boys, under the guidance of Jordy and co., often out skilled the opposition, but like the 12's, the lack of size paid its toll. Mention must be made of the game where the opposition towered over the team and by half time the opposition had called non contested scrums, such was the commitment of the boys. This never says die attitude was evident all year even after some heavy losses.

Most improved	Alex Poscoliero
Best forward	Kane Rodwell
Best back	Pat Rochaix
Coaches award	Heath Robinson
Best and Fairest	Louis George

First XV

The competition involving the 16's and 17's was infinitely better than last year's comp. The standard of rugby displayed throughout the season was fitting of what are the boy's final years of Junior Rugby. Playing in a comp where on the day anyone could win, the boys made it to the grand final and managed to get over the try line 5min after full time to win over Campbelltown in a seesawing game. Well done.

Most improved	Cory Marshall
Best Forward	Will Smith
Best Back	Liam MacPherson
Coaches Award	Kieran Fowler and Bailey Antrobus
Best and Fairest	Nicholas Cracknell

(Nicholas Cracknell was also awarded the Sue Smith award and Best and Fairest by the Illawarra District Rugby Union).

Highest point scorer	Blake Hasler
----------------------	--------------

Also a big thankyou to all the boys who helped out on game day refereeing Aaron and Kaine Rodwell, Harry and Isaac Devine, Nicholas and Benjamin Cracknell, Duncan Scott, Pat Rochaix, and Aiden Joerdens. All of this would not have been possible without the help of a great bunch of people driving the committee. Everyone pitched in and get things done.

Thanks to Sandra Fenukitau our Treasurer of 4years, who has done an amazing job over her time in the position. Also Peter Scott who has been registrar over a difficult period with the ARU changing systems. Both are standing aside from their positions. Jerry Thomas and Dylan Young are filling these positions and I am sure will do as well.
